

OzLeisure Traveller episode 6

Dublin - 8th February 2008

Hosts

Richard Maguire from OzLeisure.com.au in Melbourne, Australia

Guests

Sam Johnston, Marketing and development executive for Dublin Tourism.

Topics covered

We start our look at the island of Ireland in the place where most visitors to the island do; in the fair city of Dublin.

There is heaps to do in Dublin, and we couldn't possibly cover it all in a 30 minute episode, but Sam Johnston looks at Dublin's history and the attractions available today that represent it, sport and stadia, sight-seeing and events going on this year ... and who could possibly forget the Guinness and Jameson tours.

This is an information-packed 30 minute episode with dozens of attractions mentioned, so be sure to check out the web links below.

Region covered

Dublin is a county as well as a city, and is the capital of the Republic of Ireland
